
Job Description

Job Summary

Salary:	Competitive based on Experience.
Location:	Leeds
Job Title:	Mechanical Building Services Designer / Assistant Mechanical Building Services Designer
Start Date:	ASAP
Duration:	Permanent
Reference:	SAYESGW2021

Company Overview:

Sayes and Co Ltd is an experienced design and installation company who specialise in all areas of mechanical building services. The company has been established since 1931 and in this time has built up an outstanding reputation within the Industry.

Sayes has a fantastic reputation for looking after our employees, with a passion for ensuring there is a positive working environment and a great team spirit.

Job Description:

We are looking to recruit a Mechanical Building Services Designer or Assistant Mechanical Building Services Designer to join our Design Team. The responsibilities of this role would be to:-

Carry out mechanical building services designs including heating, water services, plumbing, air conditioning, ventilation and automatic controls.

Coordinate services with other trades

Assist in producing 2D and 3D drawings in Autocad / Revit

Ensure specification compliance

Communicate with all Stakeholders

Support our contracts team to job completion

Key Skills / Job Requirements:

We are looking for a candidate who is highly motivated to the growth of the company, who can work under their own initiative or as part of a team and has a focus for delivering excellent customer service and quality of work.

The candidate must be qualified to minimum HNC level in mechanical building services and although not essential it would be advantageous to have some previous experience in designing mechanical building services with a knowledge of current standards including Building Regulations, CIBSE and British Standards.

The candidate will be expected to use design software including but not limited to Microsoft Office, Autocad, Revit, BIM, Cymap and 4 Projects etc. Again experience in these would be advantageous but not essential as training can be provided as required.
